DiSanto, Priest & Co. Named One of the 2010 *Best Accounting Firms to Work for*

Warwick, R.I. (November 1, 2010) – DiSanto, Priest & Co., a full service professional advisory firm, has been named one of the 2010 *Best Accounting Firms to Work for*. This is the first year the Firm has applied for and been awarded with such an honor.

To qualify, accounting firms from across the country underwent a two-part survey process. The first part consisted of evaluating each nominated firm's workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure the employee experience. Best Companies Group managed the overall registration, survey and analysis process, and determined the final rankings.

"It all stems from our core values," said Angela Paolino, Director of Human Resources. "We constantly strive to maintain a supportive and creative work environment, and we have fun and create life-long friendships. The potential for professional growth and career development opportunities is outstanding." Paolino added that "we strive to always give our employees the tools they need in order to do their jobs confidently and efficiently, so they take great pride in their work and share in the successes of our client relationships."

The *Best Accounting Firms to Work for* list is made up of a total of 100 companies, split into three groups: 45 small-sized companies (15-49 employees), 45 medium-sized companies (50-249 employees) and 10 large-sized companies (more than 250 employees). DiSanto, Priest & Co.'s ranking in the medium-sized company listing will be unveiled at an awards ceremony during *Accounting Today's* Growth & Profitability Summit on November 17th at the Wynn Resort in Las Vegas. The list-making firms will also be published in the December 13th issue of *Accounting Today*.
